Register of Interests of Members' Staff
as at 20 July 2026

The Register of Interests of Members' Staff is maintained by the Office of the Parliamentary Commissioner for Standards.

A new edition of the Register is published online once every 6 weeks.

Members' staff who hold a parliamentary photo identity pass or have been granted a parliamentary network account are required to register in the Register of Interests of Members' Staff:

• Any occupation or employment for which they receive over £470 from the same source in a calendar year, if that occupation or employment is in any way advantaged by the privileged access to Parliament afforded by either a photo identity pass or a parliamentary network account;

• Any gift or benefit they receive, if it relates to or arises from their work in Parliament and its value exceeds £470 in a calendar year; and/or

• Any visit undertaken that has been paid for by a third party, if it relates to or arises from their work in Parliament and exceeds £470 in value.

Members' staff without registrable interests are required to submit a nil return, but these are not published on the Register.

Members' staff who appear in the Register are listed by their job title, not their name.

Anyone whose details are entered on the Register is required to notify the Registry Office of any change in their registrable interests within 28 days of such a change arising.

Interests remain on the Register for 12 months after their date of registration, most recent update or end date, whichever is later.

Abbott, Ms Diane (Hackney North and Stoke Newington)

Member has no staff currently listed.
